At this virtual public information meeting, the project team will present plans for Amory Park, at the intersection of Amory Street and Boylston Street. Work will include creating an improved entrance to Southwest Corridor Park, formalizing desire line routes to create universally accessible pathways connecting city sidewalks and existing park pathways, implementing landscape improvements as well as new native species plantings. As part of this project, two remaining pieces of play equipment at this location will be removed.

If you need assistance joining the meeting, please contact [Daniel.cushing@Mass.gov](mailto:Daniel.cushing@Mass.gov). After the presentation, the public will be invited to ask questions and provide feedback on the proposed design. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>.
